WORK EXPERIENCE

Product & Growth Intern – Nurix AI (now NuPlay)

January 2026 – July 2026

- Conceived and shipped **Agent Builder**, an internal platform that transforms a brand's website and target workflow into a ready crew behind **4 quality gates**, cutting setup from **5 days to 30 minutes**; it then ran **7 later engagements**.
- Delivered **53 conversational AI bots** into client demos for **27 companies** across **18 industries** and **7 languages**, including a top Indian hotel chain, the airline with Latin America's largest international network and a major conglomerate.
- Owned an ambiguous coverage question, auditing **2,140 deals and 2,843 accounts** to surface an untapped vertical and the CRM defects hiding it.
- Traced a **19-day** outage in an electronics retail prototype to a credential expiring every **24 hours** while the console showed healthy; re-pointed **16** tool bindings and added monitoring that alerts **3 times daily**.
- Engineered a **3-party** hold-and-verify booking flow for that hospitality group: while the guest waits, a relay caller phones the property and returns confirmation or relocation; also launched **Danish, German and Dutch** housekeeping voicebots.
- Probed releases over **80 recorded calls**, classifying **12 faults** by mechanism; ran **53** bilingual test scenarios for a leading Chennai-based lender (NBFC).
- Authored pitch decks adapting the world cricket governing body's fan-engagement case for **3 US sports leagues**, plus solution mockups for **13 US enterprises** and an acquisition study of a financial-services firm.
- Rewrote prompts from XML into DSL state machines, wired Shopify and Salesforce integrations, and introduced post-call QA metrics across **18** showcase deployments.
- Guided **4 interns**, presented in **8 customer meetings**, and joined **10** domestic peers on **25** mandates.

Strategy & Business Intern – RU Skilled (Kyrion Technologies)

May 2025 – July 2025

- Grew organic traffic **40%** through SEO campaigns and landing pages, lifting new users **25%**.
- Streamlined workshop operations, improving throughput **30%** and widening market reach **20%**.

PROJECTS

Aria – Real-Time Voice Companion (Personal)

April 2026 – September 2026

- Designed a voice-first 3D companion linking speech recognition, an LLM and streaming synthesis; directed **5** parallel Claude Code lanes through **96 commits** and **86** automated specs, trimming first-audio latency **57%** (1,603 to 690 ms).

The Ken Agentic Fintech Case – Hisaab

September 2026

- Advanced to Round 2 of a **₹20L** competition with an Android UPI peer-payment tracker, grounded in **1,345** personal transactions and a **26**-student survey where **73%** avoid viewing balances.

Automated Financial Statement Analysis – Nurix Hackathon

April 2026

- Led a **2-person** squad converting annual reports into a valuation workbook with live formulas (**20+** ratios, DCF, DDM), then compared it with an analyst's version: **60 of 92** items matched, revealing **17** calculation errors.

EY CAFTA Case Championship 2025 – Finalist

2025

- Modelled pooled cash across **5 subsidiaries** to unlock **INR 37.2 crore** yearly for a simulated exporter carrying an unhedged **USD 500 million** loan, quantifying currency exposure by geography.

Everyday Automation Tools (Personal)

2026

- Created an encrypted chat-transfer service (**249** end-to-end assertions), MCP servers for YouTube (**9** functions) and the campus placement portal, and an inbox cleaner that sorted **38,008** emails.

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

Corporate Relations & Finance – Entrepreneurship Cell, IIT Hyderabad

August 2023 – April 2026

- Rose from Assistant Manager to Head of a **15-member** team handling **₹40L+** budgets; staged E-MERGE 3.0 for **160+** participants from **15** colleges on **57%** of its **₹4L** allocation.
- Secured sponsors including NPCI (**₹10.44L**), Innomet and Masters' Union, negotiating terms end to end.

PR & Marketing Coordinator – TEDx IIT Hyderabad

May 2024 – April 2025

- Ran social media promotion and event branding for the Tatv edition.
